MOBILE CELLULAR TELECOMMUNICATION SERVICE LICENCE**TERMS AND CONDITIONS**

This Licence is issued to the Licensee for the provision of a mobile Cellular telecommunication service in terms of section 37 of the Telecommunications Act, No 103 of 1996.

1. DEFINITIONS

Words and terms used in this Licence shall, unless otherwise stated, have the meaning assigned to them in the Act.

Words indicating the singular shall include the plural and vice versa.

All words and expressions used shall, unless stated otherwise or the context otherwise requires, have the meaning ascribed to them below:

- 1.1 Act means the Telecommunications Act, No 103 of 1996, as amended;
- 1.2 Applicable Interest Rate means the prime interest rate as published from time to time by the South African Reserve Bank, established by Section 9 of the Currency and Banking Act, No 31 of 1920, and operating in terms of the South African Reserve Bank Act, No 90 of 1989;
- 1.3 Base Station means a mobile cellular radio base station;
- 1.4 Busy Hour means:
 - 1.4.1 for any given Base Station, the hour of the day in which that Base Station carries the most traffic in Erlangs; and
 - 1.4.2 for the Network, the hour of the day in which the Network carries the most traffic in Erlangs;
- 1.5 Chart Of Accounts means a listing of account names and numbers used by the Licensee in its general ledger, together with the account descriptions, which is subject to regulations made by the Authority in terms of Section 46 of the Act;
- 1.6 Cellular means radio telecommunications designed to use limited radio frequency spectrum between cellular Terminal Equipment and network transceivers for the provision of the Service across the Network according to the technical standards that are applicable to the assigned frequencies by allocating a limited number of frequencies within each of a number of defined geographical areas or cells, allowing the re-use of the same frequencies in

different non-adjacent cells, and enabling users to maintain connections whilst moving through different geographical areas by making use of call handover between adjacent cells;

- 1.7 Commercial Date means the date, to be determined in writing by the Authority, when the Licensee may, having complied with its obligations in terms of clauses 4.7 and 3.3, commence using Licensed lines for commercial purposes;
- 1.8 Community Centre means any school, clinic, railway station, South African Police Service station or such other location specified pursuant to Annexure A to this Licence;
- 1.9 Community Service Telephone means Terminal Equipment:
 - 1.9.1 which is registered as such by the Licensee in its own records, and
 - 1.9.2 which is made available to the general public for the provision of the Service and, to this end, is accessible at community service telephone tariff rates as approved by the Authority from time to time; and
 - 1.9.3 which is located in an Under-serviced Area or in a Community Centre; and
 - 1.9.4 single units of which may be grouped in a single location, in which event each individual telephone will be considered a single telephone for the purposes of the Licensees community service obligations as set out in Annexure A to this Licence;
- 1.10 Consumer Price index means the index of consumer prices applicable to all economic sectors compiled and published from time to time by Statistics South Africa, referred to in Section 4 of the Statistics Act, No 6 of 1999, or any index which replaces such index and becomes an official direct substitute for it from time to time;
- 1.11 Cost Allocation Manual means the documents that set out the principles of allocation of revenue, costs, assets and liabilities listed in the Chart of Accounts to a telecommunication service, the form and content of which shall be agreed between the Authority and the Licensee in writing from time to time and which are subject to regulations made by the Authority in terms of Section 46 of the Act;

1.12 Customer means any person:

1.12.1 who has entered into any agreement with the Licensee or Service Provider for the provision of any aspect of the Service by means of the Licensed Lines on the Licensee's terms and conditions; or

1.12.2 who has applied to the Licensee or a Service Provider for the provision of the Service on the Licensee's terms and conditions;

1.13 Emergency means an emergency of any kind, including, without limitation, any circumstance resulting from a major accident or a natural disaster;

1.14 Emergency Organisation means, in respect of any locality, the relevant police, fire, ambulance and coast guard services for that locality or any other similar organisation providing assistance to the public in Emergencies;

1.15 Emergency Response Centre means a call centre staffed and equipped by the Licensee which can be contacted by a caller free of charge in the event of an Emergency in any of the areas serviced by the Licensee;

1.16 End User means any person who uses the Service;

1.17 ETSI means European Telecommunications Standards Institute;

1.18 Financial Year means the financial year of the Licensee;

1.19 Fixed Line means a telecommunication link connecting two points, neither of which is Terminal Equipment;

1.20 Grade of Service means the blocking probability during Busy Hours measured between any two connection points within the Network including, without limitation, access lines, Fixed Lines and Leased Lines;

1.21 GSM means Global System for Mobile communications conforming to the full family of GSM specifications and standards as defined by ETSI or such other standards and specifications as approved by the Authority as applicable to the frequency spectrum bands allocated by the Authority from time to time;

1.22 Historically Disadvantaged Person means, in relation to natural persons, persons who are generally regarded as South African Black persons (i.e. Africans, Coloureds or Indians), women and persons with disabilities and, in relation to Juristic persons, means entities that are controlled by, and in which more than 50 percent of the shares or similar interests are held by, Historically Disadvantaged Persons, and Historically Disadvantaged Group shall have a corresponding meaning;

- 1.23 ITU means the International Telecommunication Union;
- 1.24 Interconnection Agreement means an agreement concluded in terms of Section 43 of the Act between the Licensee and one or more PSTS licensee(s), or similarly licensed persons, defining the commercial and technical arrangements for:
- 1.24.1 interconnection, the transfer of messages and the carriage of telecommunication traffic associated with all telecommunication services in either direction between the parties to the Interconnection Agreement; and/or
 - 1.24.2 the use of Leased Lines; and/or
 - 1.24.3 the provision of related services; and/or
 - 1.24.4 the payment of interconnect fees and charges;
- 1.25 Interconnect Fees and Charges means the fees and leasing charges payable by one party to the other in terms of an Interconnection Agreement for the carriage of telecommunication traffic associated with all telecommunication services that originate in one telecommunication system and that are carried on another telecommunication system or on Leased Lines;
- 1.26 Joint Economic Development Plan Agreement means the plan proposed by the Licensee as agreed to by the Authority to assist in the development of the Republics economy and, in particular, the telecommunications industry, which plan shall be set out in Annexure E to this Licence;
- 1.27 Leased Line means a dedicated point to point circuit, complying with ITU recommendations, leased from any PSTS licensee or made available by any other person as authorised by the Authority in terms of Section 44 (7) of the Act, for the purpose of carrying telecommunications traffic;
- 1.28 Licence means this document, including all its Annexures, issued by the Authority to the Licensee under Section 35(5), as read with Section 37, of the Act, authorising the Licensee to provide the Service;
- 1.29 Licence Period means the term, referred to in clause 8, for which this Licence, including the associated frequency spectrum licence/s, shall be in force (including such periods in respect of which this Licence and the associated frequency spectrum licence/s may be renewed and any further periods of renewal);
- 1.30 Licensee means Cell C (Pty) Ltd, a company duly registered and incorporated according to the Company Laws of the Republic;

- 1.31 Licensed Line means a telecommunication line or any part thereof which the Licensee is authorized to construct, maintain and use in terms of this Licence;
- 1.32 Licence Fee Income means the total annual invoiced revenue of the Licensee (less discounts, value-added tax and other indirect taxes) derived from Customers and End Users for the provision to them of any aspect of the Service, less net interconnect Fees and Charges and bad debts incurred and as provided for in terms of the Income Tax Act, No 58 of 1962;
- 1.33 Network means the mobile cellular telecommunication network Licence;
- 1.34 Network Management Centre means a centre at which the Licensee monitors and controls key network elements as is standard practice for GSM networks;
- 1.35 PLMN means public land mobile network;
- 1.36 PSTS means public switched telecommunication service;
- 1.37 Rand means the unit currency used in the Republic, designated by "R";
- 1.38 Republic means the Republic of South Africa, established by the Constitution of the Republic of South Africa, Act No 108 of 1996;
- 1.39 Retail Service means that part of the Licensees business which involves the sale or making available of any aspect of the Service to Customers and End Users;
- 1.40 Service means a mobile cellular telecommunication service as contemplated in section 37 of the Act, authorized by the Authority and provided to Customers and End Users in allocated frequencies within the Territory conforming to the technical standards that apply to those frequencies from time to time and including, but not limited to:
- 1.40.1 the provision of any Licensed Line;
 - 1.40.2 the provision of voice telephony by means of such Licensed Line;
 - 1.40.3 the provision, by means of a Licensed Line of, inter alia;
 - 1.40.3.1 any directory and operator-assisted services;
 - 1.40.3.2 emergency services;
 - 1.40.3.3 voice mail;
 - 1.40.3.4 the full family of GSM bearer and supplementary services;

1.40.3.5 telemetry services;

1.40.3.6 information services;

1.40.3.7 access to Emergency Organisations;

together with any billing, data processing or other operation which is necessary to provide data services, whether or not the Licensee charges a separate fee for it; and

- 1.40.4 any other services reasonably complementary to the abovementioned services as these evolve or become available from time to time in conformance with the Technical Standards or as approved by the Authority from time to time;
- 1.41 Service Provider means any person who provides a service to Customers or End Users in connection with the Service in terms of a contract with the Licensee for such purpose;
- 1.42 Serviced Area means any area other than an Under-serviced Area;
- 1.43 Technical Standards means the technical standards set out in Annexure D to this Licence and which may be amended from time to time;
- 1.44 Telemetry means remotely monitoring and metering using a radio transmission;
- 1.45 Terminal Equipment means a GSM terminal which may be used by a Customer or an End User to send or receive telecommunications traffic associated with all telecommunication services and which is to be or has been conveyed by means of a PLMN, all of which shall be duly approved or licensed by the Authority, as the case may be;
- 1.46 Territory means the geographical area of the Republic;
- 1.47 Under-serviced Area means any city, town, township, shanty town, location, village or human settlement or any part thereof where less than 10 (ten) percent of the inhabitants of the area have access to PSTS exchange lines at the date of issue of this Licence and where it is necessary to roll out Community Service

Telephones to address the reduction of geographical disparities through proportional distribution of such phones and shall, in any event, not be those areas in the Territory that are listed in Annexure A2;

- 1.48 Wholesale Service means the sale or making available of telecommunication services by the Licensee to Service Providers.

2 THE LICENCE

2.1 General

This Licence authorises the Licensee to construct, operate and maintain the Licensed Lines within the Territory for the following purposes:

- 2.1.1 to provide the Service by means of mobile cellular telecommunication operating within the frequency bands allocated to the Licensee in terms of a frequency spectrum licence issued by the Authority;
- 2.1.2 to connect fixed Terminal Equipment and mobile Terminal Equipment according to the Technical Standards using GSM cellular radio telephony technology for the provision of the Service; and
- 2.1.3 to interconnect with any PSTS licensee and with the network of other persons licensed to provide telecommunication services; all of which shall be subject to the provisions of the Act, the relevant regulations promulgated from time to time in terms of section 96 of the Act and the terms and conditions of this Licence.

2.2 Licence Authority

The Licensee's rights and obligations in terms of this Licence may be exercised or performed in part by its employees, agents, representatives, contractors or Service Providers. The Licensee shall be responsible for their acts or omissions in respect of the exercise or performance of such rights and obligations.

3 SERVICE AUTHORITY

3.1 General Authorisation

- 3.1.1 The Licensee shall provide the Service to Customers and End Users within the Territory, in a manner conforming to the Technical Standards.
- 3.1.2 The Licensee shall provide international roaming services to the extent, and on such commercial terms and conditions, as may be agreed upon with foreign national operators.
- 3.1.3 The Licensee may provide domestic roaming services to the extent, and on such commercial terms and conditions, as may be agreed upon with one or more similarly licensed operators.

3.1.4 The Licensee may conclude and implement Interconnection Agreements.

3.1.5 The Licensee shall provide all aspects of the Service without discrimination between similarly situated Customers or End Users, as the case may be, and shall not unfairly refuse any request for services to Customers or End Users.

3.2 Service Provision

The Licensee shall provide Retail Services directly to Customers and End Users and may provide Wholesale Services to Service Providers. In both cases, the Licensee shall remain responsible for the quality of the services so provided and shall ensure that the applicable fees and tariffs, as approved by the Authority from time to time, are applied in respect of such services.

3.3 The Service shall not be provided to Customers or End Users prior to the Authority's written approval of the Joint Economic Development Plan Agreement having been obtained, provided that, should the Licensee receive no objection from the Authority to that Agreement within 30 (thirty) days of its lodgement with the Authority, the Authority shall be deemed to have approved that Agreement.

4 SERVICE REQUIREMENTS AND QUALITY STANDARDS

4.1 Rollout requirements in respect of network coverage, and universal access and Universal Service obligations

The Licensee shall comply with the requirements and obligations set out in Annexure A to this Licence.

4.2 Quality of Service

The Licensee shall meet the following performance targets:

4.2.1 Network availability

During the first two years of the Licence Period, the Licensee shall ensure that the Network is available end to end 24 (twenty four) hours per day, 7 (seven) days per week, at least 95 (ninety five) percent of the time averaged over the entire Network and over each of two consecutive 12 (twelve) month periods, the first of which shall commence on the Commercial Date. The Licensee's obligation in respect of network availability subsequent to the first 24 (twenty four) months of the Licence Period shall be determined by the Authority in

terms of the Act and such regulations as may be applicable from time to time.

4.2.2 Call completion rate

The Licensee shall maintain a Busy Hour call completion rate of at least 95 (ninety five) percent on the Network averaged over each of two consecutive 12 (twelve) month periods, the first of which shall commence on the Commercial Date. The Licensee's obligation in respect of the call completion rate subsequent to the first 24 (twenty four) months of the Licence Period shall be determined by the Authority in terms of the Act and such regulations as may be applicable from time to time.

4.2.3 Grade of Service

The Licensee shall use its best endeavours to achieve a Grade of Service where the blocking probability across all its Licensed Lines is less than 2 (two) percent during Busy Hours averaged over a 12 (twelve) month period.

4.2.4 Call quality

The Network must provide at least the nominal call quality to classes of Customer units in accordance with the Technical Standards set out in Annexure D.

4.3 Quality of service tests

4.3.1 The Licensee shall, at its own cost and on an annual basis, submit to the Authority independently audited reports on the quality of service offered by it in terms of this Licence.

4.3.2 The reports referred to in clause 4.3.1 shall be submitted to the Authority no later than 6 (six) months after the Financial Year end, provided that the Licensee shall not be required to submit any such report during the first 18 (eighteen) months of the Licence Period.

4.3.3 The Authority may, at reasonable intervals, conduct audits at the Licensee's cost in order to verify the validity of the audit reports submitted by the Licensee to the Authority in terms of clause 4.3.1.

4.4 Network monitoring

The Network shall be monitored by a Network Management Centre or Centres 24 (twenty four) hours per day, 7 (seven) days per week, every day of the year.

4.5 Emergency Services

4.5.1 The Licensee shall provide, by means of its Licensed Lines, such facilities as would enable a caller free of charge to communicate, in the event of an Emergency in the area serviced by the Licensee, with an Emergency Organisation.

4.5.2 Calls to Emergency Organisations on officially designated emergency short codes made from mobile terminals accessing the Network shall be connected to an appropriate Emergency Response Centre without charge.

4.6 Emergency Restoration and Disaster Recovery

4.6.1 Emergency Response Centres and personnel shall be properly equipped to the reasonable satisfaction of the Authority and shall be available at all times.

4.6.2 The Licensee shall develop and implement a complete emergency response plan, describing trouble reporting and service restoration procedures, levels of fault and related response procedures. This plan shall be made available to the Authority upon reasonable notice.

4.7 Customer service

4.7.1 The Licensee shall develop and implement a complete Customer service code of conduct, describing the training of Customer service representatives, the staffing of Customer service centres, the service activation and change processes, the handling of Customer questions and complaints, the availability of detailed billing data upon Customer request and the development and retention of related records.

4.7.2 The Service shall not be provided to Customers or End Users prior to the Authority's written approval of the code of conduct referred to in clause 4.7.1 having been obtained, provided that, should the licensee receive no objection from the Authority to the code of conduct within 30 (thirty) days of its lodgement with the Authority, the Authority shall be deemed to have approved the code of conduct.

4.7.3 Customer service representatives of the Licensee shall be available in accordance with customary business practices in the South African mobile cellular telecommunications industry.

4.8 Operator Assisted Services

Directory assistance in respect of local listed private or business telephone numbers shall be provided by the Licensee through human operators, 24

(twenty four) hours per day, 7 (seven) days per week, every day of the year. Charges for operator assistance, including related services, may be levied by the Licensee.

4.9 Customer Interaction

The Licensee shall make reasonable efforts to interact with Customers and End Users in their preferred official languages.

4.10 Records

The Licensee shall, within 30 (thirty) days of the date of request by the Authority, provide the Authority with such information or access to such information as may be reasonably necessary to verify the compliance of the Network and the services provided by the Licensee with the quality standards set forth in this Licence.

5 SCHEDULE OF COMMITMENTS AND PERFORMANCE GUARANTEE

5.1 Schedule of commitments

5.1.1 The Licensee agrees to the commitments set out in Annexure A. Failure by the Licensee to comply with, or to discharge, the commitments set out in Annexure A may result in the imposition on the Licensee of fine as may be levied by the Authority in terms of the Act.

5.1.2 In the event of the Authority imposing a fine in accordance with clause 5.1.1, the Authority shall give the Licensee written notice of such fine and the Licensee shall pay such fine within 30 days, failing which the Authority shall be entitled to recover the amount of such fine from the performance guarantee referred to in clause 5.3 .

5.2 Compliance reports

5.2.1 The Licensee shall no later than 6 (six) months after its Financial Year end submit to the Authority, at its own cost and on an annual basis, independently audited reports in respect of its compliance with the commitments set out in Annexure A, provided that the Licensee shall not be required to submit any such report during the first 18 (eighteen) months of the Licence Period.

5.2.2 The Authority may from time to time conduct audits, at the Licensee's cost, in order to verify the validity of the reports submitted by the Licensee to the Authority in terms of clause 5.2.1.

5.3 Performance guarantee

- 5.3.1 The Licensee shall, within 30 (thirty) days of the issue of this Licence, provide the Authority with a performance guarantee in the amount of R 50 000 000.00 (fifty million Rand), substantially in the form set out in Annexure B, to guarantee the satisfactory performance of its obligations in terms of this Licence over the first 7 (seven) years of the Licence Period.
- 5.3.2 In the event of the Licensee failing to furnish the performance guarantee required by clause 5.3.1, the Authority shall notify the Licensee in writing of such failure, and shall require the Licensee to remedy its failure by no later than 21 (twenty one) calendar days after such written notification.

6 NUMBERING

The Licensee shall use the prefix 084 for the provision of the Service and/or any such prefix as may subsequently be allocated to the Licensee by the Authority in terms of the Act and shall manage its numbering in accordance with such regulations as may be applicable from time to time.

7 LICENCE FEES

7.1 Fixed Licence Fee

- 7.1.1 In consideration for the grant of the Licence, the Licensee shall pay to the Authority a fixed licence fee in respect of the Initial term of the Licence, referred to in clause 8.1, in the amount of R100 000 000.00 (one hundred million Rand).
- 7.1.2 Interest at the Applicable Interest Rate shall accrue from time to time on the unpaid balance of the fixed licence fee referred to in clause 7.1.1 and shall be payable annually by the Licensee to the Authority on the anniversary of the Commercial Date.
- 7.1.3 Subject to clause 7.1.4, the principal amount of the fixed licence fee referred to in clause 7.1.1 shall be payable by the Licensee to the Authority in 12 (twelve) equal annual instalments, the first instalment to be paid on the third anniversary of the Commercial Date .
- 7.1.4 In the event of the Licence being forfeited or cancelled in terms of clause 8.3 prior to the third anniversary of the Commercial Date, the provisions of clause 8.3. shall apply.

7.1.5 The Licensee may accelerate payments of the fixed licence fee referred to in clause 7.1.1 by making payment prior to the date specified above and, in such a case, the provisions of clause 7.1.2 shall still apply.

7.1.6 In addition to the fixed licence fee, the Licensee shall pay the fees stipulated in its frequency spectrum licence and such other fees as may be payable in terms of such regulations as may apply to it from time to time.

7.1.7 The payment of the fixed licence fee referred to in clause 7.1. shall be secured by means of a guarantee, in terms acceptable to the Authority, to be provided by the Licensee to the Authority within 30 days after the Commercial Date and which shall, upon being so provided, constitute Annexure C to this Licence.

7.2 Annual Variable Licence Fee

7.2.1 Subject to what is stated below, an annual variable licence fee in an amount equal to 1% (one percent) of the audited Licence Fee Income shall be payable by the Licensee to the Authority.

7.2.2 The first payment of the annual variable licence fee referred to in clause 7.2.1 shall be made within 3 (three) months after the end of the third year of the Licence Period and shall be calculated on the basis of the Licence Fee income generated during the third year of the Licence Period.

7.2.3 With effect from the beginning of the fourth year of the Licence Period, the annual variable licence fee shall be payable quarterly in arrears and shall be calculated on the basis of the assessed Licence Fee Income in the preceding quarter, provided that, where appropriate, the total amount payable by the Licensee in respect of any Financial Year shall be adjusted upon receipt of the Licensee's audited annual financial statements.

7.2.4 The annual variable licence fee payable by the Licensee shall be reviewable by the Authority after the fifth anniversary of the Commercial Date, provided that, in the event of the percentage of Licence Fee Income payable by the Licensee being increased by the Authority, the percentage so increased shall not exceed the percentage of net operating income payable by similarly licensed operators in respect of the corresponding licence fees payable by them.

7.2.5 in reviewing the percentage of Licence Fee Income payable by the Licensee in terms of this clause, the Authority shall have due regard to factors such as the number of similarly licensed operators in the Territory, the spectrum allocated to such similarly licensed operators and the

percentage of net operating income payable by such similarly licensed operators.

8 LICENCE PERIOD

8.1 Initial Licence Term

The initial term of the Licence shall be for a period of 15 (fifteen) consecutive years commencing on the Commercial Date.

8.2 Renewal of the Licence

This Licence may be renewed in terms of the Act.

8.3 Forfeiture or Cancellation of Licence

In the event of the liquidation of the Licensee, the Licensee shall notify the Authority in writing of the cancellation of the Licence and, in the event of the Licensee doing so, it shall forfeit any remaining portion of the performance guarantee referred to in clause 5.3 immediately and in full, and the fixed licence fee payment guarantee mechanism set forth in Annexure C to this Licence shall immediately take effect.

8.4 Revocation of Licence

The Licence may be revoked in accordance with the Act.

9 CONFIDENTIALITY OF INFORMATION

9.1 Content of communications

The Licensee shall not disclose the content of any communication transmitted over the Network, unless required to do so by a court order or in terms of any law.

9.2 Customer information

9.2.1 The Licensee shall not use any information regarding its past, current or potential Customers for purposes other than those for which the information was obtained, unless the Customer gives prior written consent to such other use.

9.2.2 The Licensee may publish a directory of Customers and their cellular telephone numbers. The licensee may charge a fee in connection with the sale or distribution of this directory. Any Customer shall have the right to request that his or her information be withheld from such a directory,

without charge to such Customer, and the Licensee has a corresponding obligation to inform Customers of such right and to accede to such request made by any Customer.

10 RESTRICTIONS ON TRANSFER OF LICENCE, SHARES, OWNERSHIP AND CONTROL

10.1 The Licensee shall not transfer the Licence without the prior written consent of the Authority having been obtained in terms of the Act.

10.2 Historically Disadvantaged Persons shall:

10.2.1 be the beneficial holders of, and shall exercise all voting rights and shall be entitled to all dividends in respect of, a minimum of 25% (twenty five percent) of the shares in the Licensee's issued share capital, and

10.2.2 be entitled to appoint a minimum of 25% (twenty five percent) of the members of the Licensee's board of directors.

10.3 Subject to, and without derogating from the requirements of, clause 10.2 and the Competition Act, No 89 of 1998, the Authority's prior written approval shall be required in respect of any transfer of shares, or any change in ownership, which would or might have the effect that:

10.3.1 the direct or indirect beneficial ownership of 10% (ten percent) or more of the shares in the Licensee's issued share capital held by Historically Disadvantaged Persons being-transferred; or

10.3.2 a change to the composition of one quarter or more of the Licensee's board of directors occurring.

11 EMPLOYMENT EQUITY, HUMAN RESOURCE DEVELOPMENT AND TRAINING

11.1 The Licensee shall comply with the provisions of the Employment Equity Act, No 55 of 1998, and the Skills Development Act, No 97 of 1998, in relation to employment equity, human resource development and training. All reports submitted to the Department of Labour in this regard by the Licensee shall also be submitted to the Authority.

11.2 The Licensee shall participate in the development of the telecommunication industry by, inter alia:

11.2.1 supporting independent contractors from Historically Disadvantaged Groups; and

11.2.2 supporting industry development initiatives.

12 SERVICE FEES AND CHARGES

12.1 The Licensee shall not charge any tariffs or fees for the Service or for any other services whatsoever until such tariffs and fees have been lodged in writing with the Authority and approved by the Authority.

12.2 The tariffs and fees must be in a form approved by the Authority, which shall provide the Licensee with written reasons, within 7 (seven) days, in the event of non-approval, provided that, if no notice of non-approval is given within 7 (seven) days of lodging the proposed tariffs and fees with the Authority, the Authority shall be deemed to have approved such tariffs and fees. The notice of tariffs and fees lodged with the Authority must state the period for which they are to be in force. The period must not begin before the seventh day after the notice has been lodged with the Authority. In relation to each kind of service that the Licensee proposes to offer during the period concerned, the notice must set out:

12.2.1 a description of the service; and

12.2.2 details of the nature and amounts of charges payable for the service.

12.3 If the charges in a tariff plan vary, whether in their nature, in their amounts or both, the notice must set out why and how the charges vary.

12.4 The notice must be precise and detailed enough to be used to calculate the nature and amounts of charges payable for the supply of any aspect of the Service in particular cases.

12.5 Any increase in the Community Service Telephone tariff plan as annexed to this Licence and as amended from time to time shall be subject to approval by the Authority. If the Authority disallows or delays the implementation of the proposed

Community Service Telephone tariff plan increase, it shall provide written reasons for its decision to the Licensee within 7 (seven) days of the date of the decision.

12.6 The base tariffs and fees which the Licensee may apply as from the Commercial Date shall be lodged with the Authority at least 3 (three) weeks prior to the Commercial Date.

12.7 Where the Authority has approved an increase in tariffs and fees, these increased tariffs and fees shall constitute the new base tariffs and fees.

12.8 The Licensee shall publish details of its tariffs and fees and any other terms and conditions on which the Service is provided by

12.8.1 making them available for inspection at its major places of business during normal business hours, and

12.8.2 sending the appropriate information to any person who may request it.

12.9 Insofar as this clause 12 stipulates time periods of 7 (seven) days for the performance of certain actions, the Authority shall be entitled to prescribe a different time period by regulation.

13 GENERAL

13.1 Should any provision of this Licence be invalid or unenforceable for any reason, the remaining provisions shall nevertheless remain of full force and effect.

13.2 To the extent that this Licence may be inconsistent with any provisions of the Act or any applicable regulations, such provisions of the Act or the regulations shall take precedence over this Licence.

14 MISCELLANEOUS PROVISIONS

14.1 Adherence to International Standards

The Licensee shall comply with the applicable standards and requirements of the ITU, as agreed to or adopted by the Republic.

14.2 Legal Compliance

The Licensee shall comply with all applicable laws of the Republic and with all international obligations to which the Republic is bound and, unless expressly indicated to the contrary, nothing in this Licence shall be construed or understood so as to relieve or exempt the Licensee or any other party, including any of the Licensee's employees, agents, contractors or Service Providers, from complying with the provisions of this Licence, the Act or any other law to the extent that it may be applicable.

14.3 Access to Network Facilities

Upon reasonable notice, the Licensee shall provide access to its Network facilities for inspection by the Authority.

14.4 Utilisation of Fixed Lines

14.4.1 The Licensee is authorised to procure, construct, maintain and use its own Fixed Lines to interconnect its own PLMN elements 9 these

elements are installed on the same premises or on adjacent premises occupied by the Licensee.

14.4.2 The Licensee is prohibited from utilising any Fixed Lines other than those made available by Telkom or any other PSTS licensee until a date to be fixed by the Minister by notice in the Government Gazette.

15 NOTICES AND ADDRESSES

15.1 Any notice or certification given by the Authority to the Licensee shall be in writing and:

15.1.1 if delivered by hand to the Licensee's address, it shall be deemed, until the contrary is proved by the Licensee, to have been received by the Licensee at the time of delivery;

15.1.2 if posted by pre-paid registered post from an address within the Republic to the Licensee at the address furnished by it, it shall be deemed, until the contrary is proved by the Licensee, to have been received by the Licensee on the 14th day after the date of posting.

MANDLA LANGA
CHAIRPERSON
INDEPENDENT COMMUNICATIONS AUTHORITY OF SOUTH AFRICA (ICASA)

ANNEXURE A
SCHEDULE OF COMMITMENTS

The Licensee commits to the following:

A.1 Network

A.1.1 Network Geographical Coverage

A.1.1.1 Within 5 (five) years of the Commercial Date, the Licensee shall establish a network that covers at least 8% (eight percent) of the geographical area of the Territory, based on sufficient initial spectrum allocation at the time of the issue of the Licence. If additional spectrum in appropriate bands is allocated, the network geographical coverage commitment may be changed by agreement between the Authority and the Licensee.

A.1.1.2 The Licensee may provide domestic roaming services to such extent within the geographical area of the Territory as may be agreed with one or more similarly licensed operators on commercial terms and conditions, in which case the Licensee shall provide geographic coverage of at least 40% (forty percent) of the Territory within one year of the Commercial Date by means of such domestic roaming agreements.

A. 1.2 Area Population Coverage

A.1.2.1 Within 5 (five) years of the Commercial Date, the Licensee shall provide area population coverage to at least 60% (sixty percent) of the total population of the Territory on its own Network. If additional spectrum in appropriate bands is allocated, this area population coverage commitment may be changed by agreement between the Authority and the Licensee.

A.1.2.2 The Licensee shall provide area population coverage to such percentage of the population of the Territory as may be possible through domestic roaming agreements as may be entered into with one or more similarly licensed operators on commercial terms and conditions, in which case a minimum of 80% (eighty percent) population coverage shall be provided within 1 (one) year of the Commercial Date by means of such domestic roaming agreements.

A.1.3 Roll-Out Plan

A.1.3.1 The Licensee shall roll out its network according to the following network roll-out plan:

A.1.3.1.1 Within 2 (two) years of the Commercial Date, the Licensee shall have covered 6 (six) percent of the Territory and 40% (forty percent) of the total population.

A.1.3.1.2 Within 5 (five) years of the Commercial Date, the Licensee shall have covered 8% (eight percent) of the Territory and 60% (sixty percent) of the total population.

A.1.3.2 If additional spectrum in appropriate bands is allocated, the network roll-out plan shall be changed by agreement between the Authority and the Licensee.

A-1.3.3 Should the Licensee fail to meet its commitments in respect of the geographic area roll-out plan as set out in 0 above within each applicable period, the Authority may impose a penalty not exceeding R50 000 000 (fifty million Rand) that bears the same proportion to R50 000 000 (fifty million Rand) as the geographic area of the Territory not covered bears to the required percentage that ought to have been covered according to the roll-out plan (i.e. 6% within 2 years or 8% within 5 years, as the case may be).

A.1.3.4 For the purposes of determining compliance with the roll-out commitments set out in **A1.3.1** above, a measurement parameter of a minimum signal strength of -96dBm shall be used to indicate the respective geographic coverage area provided that such coverage area is computed on the basis of service availability within such geographic area of 90% (ninety percent) of the said area 95% (ninety five percent) of the time measured outdoors with stationary hand-held Terminal Equipment.

A.2 Community and Universal Service Obligations

A.2.1 The Licensee shall construct, operate and maintain Community Service Telephones in Under-served Areas according to the following implementation timetable:

A.2.1.1 Within 2 (two) years of the Commercial Date, the Licensee shall have installed a total of 2,000 (two thousand) Community Service Telephones in Under-served Areas;

- A.2.1.2 Within 3 (three) years of the Commercial Date, the Licensee shall have installed a total of 12,000 (twelve thousand) Community Service Telephones in Underserved Areas;
- A.2.1.3 Within 4 (four) years of the Commercial Date, the Licensee shall have installed a total of 22,000 (twenty two thousand) Community Service Telephones in Underserved Areas;
- A.2.1.4 Within 5 (five) years of the Commercial Date, the licensee shall have installed a total of 32,000 (thirty two thousand) Community Service Telephones in Underserved Areas;
- A.2.1.5 Within 6 (six) years of the Commercial Date, the Licensee shall have installed a total of 42,000 (forty two thousand) Community Service Telephones in Underserved Areas;
- A.2.1.6 Within 7 (seven) years of the Commercial Date, the Licensee shall have installed a total of 52,000 (fifty two thousand) Community Service Telephones in Underserved Areas.
- A.2.2. The Licensee shall submit to the Authority an annual roll-out plan for Community Service Telephones, that specifies the Under-served Areas and Community Centres where such Community Service Telephones are to be installed, taking into account the Licensee's spectrum allocation, network coverage and capacity.
- A.2.3 The roll-out plans referred to in A2.2 shall be submitted to the Authority at least 3 (three) months prior to the projected commencement date of the roll-out plan concerned.
- A.2.4 The roll-out plans referred to in A2.2 may be supported by statistical data available to the Licensee and acceptable to the Authority relating to percentage penetration of fixed lines.
- A.2.5 The roll-out plan referred to in A2.2 may be amended by agreement between the Licensee and Authority to include any proposals made by the Authority within the 3 (three) month period referred to in A2.3.
- A.2.6 For the purposes of determining whether the Licensee has complied with its obligations set out in A2.1, the Authority and the Licensee shall use their best endeavours to reach agreement, within 6 (six) months of the Commercial Date, on the applicable performance indicators which shall include indicators such as universality, accessibility, the extent to which the Community Service Telephones are usable, maintained and meet the needs of Historically Disadvantaged Persons. In the event that no agreement is reached within the

time period stipulated above, the Authority shall determine such applicable performance indicators.

A.2.7 The implementation of the Licensee's obligations may, subject to the provisions hereof, be coordinated between the Licensee, similar licensees, PSIS licensees and the Universal Service Agency under the supervision of the Authority.

A.2.8 Save as specifically approved by the Authority, Services provided in Community Centres shall not be taken into consideration for the purposes of the Community Service Telephone obligations of the Licensee as set out in the abovementioned implementation timetable unless such Community Centres are in Under-serviced Areas.

A.2.9 Subsequent to the second anniversary of the Commercial Date, the Authority shall periodically assess the Licensees level of compliance with its obligations to construct, operate and maintain Community Service Telephones in Under-Serviced Areas in accordance with the implementation timetable set out in A2.1. In the event of the Licensee failing to comply with any of its abovementioned obligations, the Authority shall be entitled from time to time, and after due enquiry, to impose reasonable fines, alternatively such fines as the Authority may prescribe by regulation, upon the Licensee, provided that any fine so imposed shall not result in a reduction of the Licensee's community service obligations and shall not preclude the Authority from imposing further fines upon the Licensee in the event of the Licensee persisting with its failure to comply with any particular obligation set out in A2.1.

A.2.10 The Licensee shall comply with the Universal Service Obligations as contained in Annexure F of this Licence and as may be imposed by the Authority from time to time

A2.11 Quality of Service

The Service quality for Community Service Telephones shall be at least equal to that stipulated in clause 4.2 of the Licence.

A3 Joint Economic Development Plan (JEDP)

The Licensee commits itself to spending R1 billion over 10 years from the Commercial Date on its JEDP.

ANNEXURE B

[On Letterhead of reputable South African bank or financial institution]

The Chairperson ICASA Pin Mill Farm, Block B 164 Katherine Street Sandton
2196 South Africa June 2001

Performance Guarantee submitted on behalf of Cell C (Proprietary)
Limited relating to its licence to provide a mobile cellular telecommunication
service in the Republic of South Africa

1. We understand that:

1.1 the Independent Communications Authority of South Africa ("ICASA") has issued a licence, dated _____ ("the Licence"), to Cell C (Pty) Ltd ("the Licensee"), authorising the Licensee to provide a mobile cellular telecommunication service in the Republic of South Africa;

1.2 in terms of clause 5 of the Licence, the Licensee is required to provide ICASA with a performance guarantee in the amount of R50 000 000.00 (fifty million Rand) as security for the satisfactory performance of the Licensee's obligations, set out in Annexure A to the Licence, over the first seven years of the period of validity of the Licence;

1.3 in the event of the Licensee failing to comply with or discharge the commitments set out in Annexure A to the Licence, ICASA shall be entitled to impose a fine or fines on the Licensee in accordance with the provisions of the Telecommunications Act, No 103 of 1996;

1.4 in the event of the Licensee failing to pay any such fine within thirty days of being notified by ICASA of that fine, ICASA shall be entitled to recover the amount of that fine from the abovementioned guarantee.

2. We do hereby bind ourselves to and in favour of ICASA, as guarantor for and on behalf of the Licensee, for the due performance by the Licensee of the commitments set out in Annexure A to the Licence.

3. We, on behalf of the Licensee, irrevocably and unconditionally, and notwithstanding any contestation by the Licensee or any third party, undertake the obligation as guarantor forthwith to pay the amount of R50 000 000.00 (fifty million Rand), or such lesser amount as may be required by ICASA from time to time, to ICASA, immediately upon receiving written notification from ICASA:

3.1 certifying that the Licensee has failed to pay a fine, in a specified amount, imposed upon it in accordance with the abovementioned provisions of the Licence; and

3.2 directing us to make payment of the specified amount concerned

4. This guarantee will remain in force until ICASA's return of this letter to us, or the seventh anniversary of the Commercial Date, as defined in the Licence, or the discharge of this guarantee by the payment of the total sum of R50 000 000.00 (fifty million Rand), whichever event occurs first.

Signed at _____ on this ____ day of _____ 2001.

_ June 2001

Payment Guarantee submitted on behalf of Cell C (Proprietary) Limited relating to its licence to provide a mobile cellular telecommunication service in the Republic of South Africa

1. We understand that:

1.1 the Independent Communications Authority of South Africa ("ICASA") has issued a licence, dated _____ ("the Licence"), to Cell C (Pty) Ltd ("the Licensee"), authorising the Licensee to provide a mobile cellular telecommunication service in the Republic of South Africa;

1.2 in terms of clause 7 of the licence, the Licensee is required to provide ICASA with a guarantee for the due performance of its obligations in terms of that clause, in particular the payment of a fixed licence fee in the amount of R100 000 000.00 (one hundred million Rand).

2. At the request of the Licensee and one of its shareholders, namely Saudi Oger Limited, we, ("the Bank"), herein represented by and in their respective capacities as and, hereby irrevocably and unconditionally undertake the obligation as guarantor to pay ICASA an amount not exceeding R100 000 000.00 (one hundred million Rand) in respect of the fixed licence fee, referred to in clause 7 of the Licence, and in respect of the escalation fee, where applicable. Payment of this amount shall be made upon ICASA's first written demand in accordance with its authority in terms of clause 7 of the Licence, notwithstanding any contestation by the Licensee or any other person or party.

3. The written demand referred to in paragraph 2 above will state that the Licensee has failed to make payment in respect of the fixed licence fee and escalation fee, where applicable; that ICASA has demanded in writing that the Licensee

make payment of the amount concerned within 21 days; that the Licensee has failed to do so; and that the amount as calculated in accordance with clause 7 of the Licence, or any lesser portion thereof, is now due and payable.

4. The total amount of this guarantee will be reduced by any payments effected hereunder and by any payments made by the Licensee to ICASA in respect of the principal amount of the fixed licence fee and escalation fee, where applicable, in terms of clause 7 of the Licence.
5. In the event of the Licensee canceling the Licence in terms of clause 8.3 of the Licence, it will forfeit the remaining balance of this guarantee, which shall, forthwith upon written demand by ICASA made to the Bank, be paid over to ICASA, notwithstanding any contestation by the Licensee or any other person or party.
6. This guarantee will expire on the sixteenth anniversary of the Commercial Date, as defined in the Licence ("the expiry date"), and any claim which arises or demand for payment received after the expiry date shall be invalid and unenforceable whether resumed to the Bank for cancellation or not. Any claim under this guarantee should reach the Bank, at the address specified in this letter, not later than the expiry date. Any claim received after the expiry date will not be entertained by the Bank.
7. This guarantee is personal to ICASA and is neither negotiable nor transferable, and must be returned to the Bank upon payment, withdrawal or expiry, whichever occurs first.
8. Compliance with any demand for payment received by the Bank in terms of this guarantee shall not be delayed, nor shall the Bank's obligations in terms of this guarantee be discharged, by the fact that a dispute may exist between the Licensee and ICASA.
9. The Bank hereby renounces the benefit of the exceptions of excussion and division that might be pleaded against the validity of this guarantee and hereby acknowledges that the full force and effect of these renunciations are fully known to it.
10. The Bank's obligations under this guarantee shall be restricted to the payment of money only.
11. This guarantee shall be governed by South African Law and be subject to the jurisdiction of South African Courts.

Signed at _____ on this ___ day of _____ 2001.

ANNEXURE D**TECHNICAL STANDARDS**

- D1. The Technical Standards for the Licensed Lines installed, maintained and used by the Licensee shall conform to the applicable, full family of GSM specifications and standards as defined by ETSI or such other standards and specifications as approved by the Authority and applicable to the frequency spectrum bands allocated by the Authority from time to time.
- D2. The Licensee shall, at all times, comply with the recommendations of the ITU and its associated organisations as they apply to the Republic from time to time.
- D3. The Licensee shall introduce measures and at all times use its resources to ensure that apparatus in the Licensed Lines including Terminal Equipment owned by the Licensee shall comply with:
- D3.1 the requirements of Electro Magnetic Compatibility; and
- D3.2 the requirements of network interface in accordance with GSM specifications and standards as defined by ETSI.
- D4. Nominal call quality shall be within the applicable parameter ranges contained in the GSM specifications and standards as defined by ETSI.
