MEMORANDUM ON THE OBJECTS OF THE LOCAL GOVERNMENT: MUNICIPAL DEMARCATION BILL, 1998

1. The main object of the Bill is to establish criteria and procedures for the determination of municipal boundaries by an independent authority as required by section 155(3)(b) of the Constitution.

2. Part 1 of Chapter 1 of the Bill provides for the establishment, status, functions and general powers of the Municipal Demarcation Board (hereinafter referred to as the Board). In clause 3, which deals with the status of the Board, it is clearly stated that the Board is independent and that it must be impartial and perform its functions without fear, favour or prejudice. In clause 5, which deals with the general powers of the Board, provision is *inter alia* made that the Board may determine its own staff establishment and appoint employees in posts on that establishment having due regard to available finances. The Board is, however, in terms of clause 20(2) obliged to establish the extent to which administrative and secretarial assistance could be provided by the Department, a provincial department or a municipality, before the Board determines or extends its staff establishment.

3. Part 2 of Chapter 1 of the Bill deals with the membership of the Board. Clause 6 provides that the Board will consist of no fewer than 11 and not more than 15 members as determined by the Minister and appointed by the President. The Board must furthermore be composed in such a manner that it reflects regional diversity and collectively represents a pool of knowledge concerning issues relevant to municipal demarcation in each province. The qualification for membership is set out in clause 7.

In terms of clause 8 vacancies on the Board must be advertised and suitably qualified persons may apply for appointment as a member. A selection panel consisting of—

- (a) the President of the Constitutional Court or another member of that Court designated by the President of that Court;
- (b) a judge designated by the Chief Justice;
- (c) a member of the Commission for Gender Equality;
- (d) two persons with specific knowledge of boundary demarcation of whom one is designated by the Minister in consultation with the MECS for local government in the provinces and the other is designated by SALGA; and
- (e) the Chairperson of the Select Committee for Constitutional Affairs and Public Administration,

must consider all applications and from amongst the applicants compile a list containing three or two more names than the number of appointments that must be made.

4. The rest of Part 2 of the Bill deals with the terms of office of members of the Board (clause 9); chairperson and deputy chairperson (clause 10); conditions of appointment of members (clause 11); conduct of members (clause 12); termination of membership (clause 13) and vacancies (clause 14).

5. Part 3 of Chapter 1 of the Bill deals with the operating procedures of the Board and the more important provisions of this Part are:

- (a) clause 18, which provides for the establishment of one or more committees to assist the Board with the performance of its functions or exercise of its powers;
 - (b) clause 19, which deals with the assignment of powers and duties by the Board.
6. Chapter 2 of the Bill is divided into four Parts, i.e.—
- (a) Part 1, which deals with boundary determination.

In clause 21 the Board is empowered to determine and redetermine municipal boundaries and to publish such determination or redetermination in the relevant *Provincial Gazette*. Furthermore, provision is made for any person who is aggrieved by a determination to submit his or her objections to the Board, which must then consider the objection and either confirm, vary or withdraw its determination.

In clause 22 the Minister is empowered to determine priorities for demarcation.

Clause 23 regulates the taking effect of a boundary determination, and provides that if the Electoral Commission is of the view that a boundary determination—

- will materially affect the representation of voters in the council, the determination takes effect from the date determined by the MEC for Local Government by notice in the *Provincial Gazette* taking into account the date of the next election in the municipal council; or
- will not materially affect the representation of voters in the council, the determination takes effect from a date determined by notice in the relevant *Provincial Gazette* by the MEC of local government in the provinces concerned.

(b) Part 2, which deal with demarcation criteria.

This Part is divided into three sections, which provide for demarcation objectives (clause 24), factors to be taken into account when municipal boundaries are determined (clause 25) and recognition of city regions as metropolitan areas (clause 26).

(c) Part 3, which deals with the demarcation procedures.

In this Part provision is made for the notification of the determination of municipal boundaries (clause 27), the holding of public meetings and the procedure at such meetings (clause 29), the holding of formal investigations (clause 30) and the powers of investigating committees (clause 31).

(d) Part 4, which deals with the consequences of boundary determinations.

In short the MEC for local government in the province is authorised to make regulations for the regulation of all the consequences of a boundary determination.

7. Chapter 3 of the Bill deals with administrative and other matters and is divided into three Parts.

7.1. Part 1 of Chapter 3 deals with administration and provides for—

- (a) the appointment of a Manager of the Board;
- (b) the responsibilities of the Manager;
- (c) the terms and conditions of employment of employees of the Board; and
- (d) the pension rights of employees.

7.2. Part 2 of Chapter 3 deals with the finances of the Board and provides for—

- (a) the funding of the Board;
- (b) the Manager to be the accounting officer;
- (c) the auditing of the accounts and financial records of the Board; and
- (d) the annual report of the Board.

7.3. Part 3 of Chapter 3 deals with miscellaneous matters and provides for—

- (a) legal proceedings against the Board;
- (b) regulations;
- (c) offences and penalties;
- (d) repeal of legislation; and
- (e) transitional provisions.

8. The following departments, institutions and persons were consulted:

- * President of the Constitutional Court;
- * Chief Justice;
- * Commission for Gender Equality;
- * The nine MECs responsible for local government;
- * Department of Finance (Pensions Administration);
- * Department of Public Service and Administration;
- * Auditor General; and
- * Independent Electoral Commission.

The Bill was also published for public comments as required in terms of section 154 of the Constitution.

In the opinion of the Department of Constitutional Development and the State Law Advisers this Bill must be dealt within accordance with the procedure established by section 76 of the Constitution.

This Bill makes provision for the determination of municipal boundaries by an independent authority. All the provinces are, however, affected by it due to the fact that the provinces are required in terms of section 155(6) of the Constitution to establish municipalities within their boundaries as determined by the Board.
