MEMORANDUM ON THE OBJECTS OF THE SOUTH AFRICAN SPORTS COMMISSION AMENDMENT BILL, 1999

PART 1

BACKGROUND

1. This Bill provides for the part-time appointment of the Chairperson and Deputy Chairperson by the Minister as well as for the Minister to appoint an interim Chairperson to convene the General Assembly for the purpose of electing the nine members mentioned in section 4(1)(c) read with section 5 of the South African Sports Commission Act, 1998 (Act No. 109 of 1998).

2. The basis for these amendments are as follows:

The substitution of the appointments of a full-time Chairperson and Deputy Chairperson for a part-time Chairperson and Deputy Chairperson are necessary as the envisaged Sports Commission is not comparable to other government Commissions which generally are of limited duration, have a specific issue to examine and tend to be driven by the chairperson. Instead it would be more like a business entity in that it will be expected to raise additional funding from the private sector and will accordingly be run by the Chief Executive Officer.

3. The General Assembly needs to be convened before the Commission is set up and before the Minister will be in a position to appoint a Chairperson of the Commission. It follows therefore that the Minister should be empowered to appoint an interim Chairperson to convene the General Assembly for the purpose mentioned in paragraph 1.

PART 2

IMPLICATIONS FOR PROVINCES

None

PART 3

IMPLICATIONS FOR LOCAL GOVERNMENT

None

PART 4
