MEMORANDUM ON THE OBJECTS OF THE POLITICAL PARTY FUNDING BILL, 2017

1. OBJECTS OF THE BILL

Public funding for political parties represented in national and provincial legislatures is provided through the Public Funding of Represented Political Parties Act, 1997 (Act No. 103 of 1997) (“the Funding Act”).

On 6 May 2017 the National Assembly resolved to establish an *ad hoc* committee, in terms of National Assembly Rule 253 (1)(a), to:

“enquire into and make recommendations on funding of political parties represented in national and provincial legislatures in South Africa with a view to introducing amending legislation if necessary and, in so doing, consider—

- the model of public and private funding for political parties; and
- the need for, and possible means of, regulating private funding in all its forms as well as investment entities owned by political parties[;]”.

2. DISCUSSION OF THE BILL

2.1. The Preamble of the Political Party Funding Bill, 2017 (“the Bill”) reflects the need to give effect to the constitutional obligation imposed in terms of section 236 of the Constitution of the Republic of South Africa, 1996 (“the Constitution”). This fund is deemed the existing fund established under Public Funding of Represented Political Parties Act, 1997 (Act No. 103 of 1997). See clause 25 in this regard.

2.6. Clause 5 of the Bill deals with the management of the two Funds.

2.7. Clause 6 of the Bill, amongst other things, proposes to regulate the allocation and payment of money to political parties. This clause further provides that the allocation must be done in terms of a prescribed formula that is based:

- (b) in part, a proportional allocation taking into account the relationship that the number of a represented political party's representatives in both the National Assembly or the provincial legislatures bears to the sum of the seats in these legislatures.

The clause further proposes that the Commission must pay allocated money at prescribed intervals.
