

## Announcement to the Residential Appliance Industry whose products are subject to VC 9006 and 9008

### Rollout of Energy Efficiency Online Registration Database

Dear stakeholders

The Electrotech Industry meeting scheduled for March 24 2020 to launch the online registration database for the energy efficiency component of the Letter of Authority (LoA) applications had to be cancelled due to COVID19. Due to the proliferation of the pandemic it is not possible to forecast when it will be possible to reschedule the event. Thus, the NRCS has taken the decision to proceed with the rollout through a series of webinar sessions which are planned to take place during the first two weeks of August 2020. The sessions have been scheduled as follows:

- |  |                                       |
|--|---------------------------------------|
| 1. <a href="#">Cooling</a> (Refrigerators and AC)            | Monday 3 <sup>rd</sup> August 2020    |
| 2. <a href="#">Laundry &amp; Dishwashers</a> (TD, WM and WD) | Wednesday 5 <sup>th</sup> August 2020 |
| 3. <a href="#">Ovens, Geysers &amp; AV (standby only)</a>    | Friday 7 <sup>th</sup> August 2020    |
| 4. <a href="#">Reserve Day</a> – all appliances              | Tuesday 11 <sup>th</sup> August 2020  |

The training on the day will consist of a morning and afternoon session

- |   |                   |
|---|-------------------|
| 1. Introduction, overview and demonstration | 09h00 until 11h00 |
|---|-------------------|
- The NRCS will explain how the rollout will occur and answer industry questions (30 minutes)  
Participants will be shown how to register and navigate the system. They are required to have access to product test reports which they can use during the demonstration of how to complete an application (90 minutes)  
Company representative will then be encouraged to submit multiple applications on the test system during the day
- |                            |                   |
|----------------------------|-------------------|
| 2. Q&A and problem solving | 15h00 until 16h30 |
|----------------------------|-------------------|
- The webinar will reconvene to get feedback from participants, answer questions and address any issues encountered.

The engagements are being supported by the EU SA partners for growth programme, and companies who are subject to VC9006 and 9008 are encouraged to register for the webinars by clicking on the hyperlinks in blue above.
