Excellence in Training and Capacity-Building

AGTIWAS – African-German Training Initiative in Water and Sanitation (Timeframe: 12/2021–12/2024)

Objective: Supporting AfWASA in the establishment of a training and capacity-building institution – AWASA (African Water and Sanitation Academy).

AWASA has 3 major objectives:

1) **Advocacy:** Advise on Change Management and on important legislative approaches/adaptation in order to provide a conducive political environment
2) **Institutional:** Build capacity among the management of water and sanitation service providers to prepare them for new challenges
3) **Technical/Operational:** Build capacity among the technical level of operators to improve their skills and provide better services to the customers.
